Our commitment to Safeguarding

As the PCC of St Peter and St Paul's Church, Pickering, we recognise the need to provide a safe and caring environment for children, young people and vulnerable adults. We acknowledge that children, young people and vulnerable adults can be the victims of physical, sexual and emotional abuse, and neglect.

We accept the UN Universal Declaration of Human Rights and the International Covenant of Human Rights, which states that everyone is entitled to "all the rights and freedoms set forth therein, without distinction of any kind, such as race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other status". We also concur with the Convention on the Rights of the Child which states that children should be able to develop their full potential, free from hunger and want, neglect and abuse. They have a right to be protected from "all forms of physical or mental violence, injury or abuse, neglect or negligent treatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s), or any other person who has care of the child." We also accept the guidance laid out in Working Together to Safeguard Children 2013 and acknowledge that "safeguarding children is everyone's responsibility" and that "everyone who comes into contact with children and families has a role to play."

As a PCC we have therefore adopted the procedures set out in this safeguarding policy in accordance with statutory guidance. We are committed to build constructive links with statutory and voluntary agencies involved in safeguarding.

The policy and appendices are based on the ten '**Safe and Secure**' safeguarding standards published by the Churches' Child Protection Advisory Service CCPAS, (now known as Thirtyone:eight) and have been prepared in line with the House of Bishops' 'Safeguarding Policy and Practice Guidance' and 'the commitment to Safeguarding by the Diocese of York and the House of Bishops 'Protecting All God's Children'.

The PCC undertakes to:

- endorse and follow all national and local safeguarding legislation and procedures, in addition to the international conventions outlined above.
- provide on-going safeguarding training for all its workers and will regularly review the operational guidelines attached.
- ensure that the premises meet the requirements of the Disability Discrimination Act 1995 and all other relevant legislation, and that it is welcoming and inclusive.
- support the Safeguarding Representative in her work and in any action she may need to take in order to protect children and vulnerable adults.
- file a copy of the policy and practice guidelines with the Diocese of York. Throughout this policy document, the **PCC refers to the body of individuals who are with overall responsibility for the church.**

The Safeguarding Policy

Recognising and responding appropriately to an allegation or suspicion of abuse

UNDERSTANDING ABUSE & NEGLECT

Defining child abuse or abuse against a vulnerable adult is a difficult and complex issue. A person may abuse by inflicting harm, or failing to prevent harm. Children and adults in need of protection may be abused within a family, an institution or a community setting. Very often the abuser is known or in a trusted relationship with the child or vulnerable adult.

In order to safeguard those in our places of worship and organisations we adhere to the UN Convention on the Rights of the Child and have as our starting point as a definition of abuse, Article 19 which states:

1. Parties shall take all appropriate legislative, administrative, social and educational measures to protect the child from all forms of physical or mental violence, injury or abuse, neglect or negligent treatment, maltreatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s) or any other person who has the care of the child.

2. Such protective measures should, as appropriate, include effective procedures for the establishment of social programmes to provide necessary support for the child and for those who have the care of the child, as well as for other forms of prevention and for identification, reporting, referral, investigation, treatment and follow-up of instances of child maltreatment described heretofore, and, as appropriate, for judicial involvement.

Article 19, UN Convention on the Rights of the Child

Also for adults the UN Universal Declaration of Human Rights with particular reference to Article 5 which states:

No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.

Article 5, UN Universal Declaration of Human Rights

The Church of St Peter and St Paul's in Pickering upholds the safeguarding responsibilities of Church of England parishes as outlined in the House of Bishops' Safeguarding Policies and Practice Guidance. Parish Safeguarding Handbook, Promoting a Safer Church

Safeguarding Awareness

The PCC is committed to on-going safeguarding training and development opportunities for all workers, developing a culture of awareness of safeguarding issues to help protect everyone. All our workers will receive induction training and undertake appropriate safeguarding training on a regular basis, which should cover signs and symptoms of abuse and how to respond as a minimum.

The PCC will also ensure that children and vulnerable adults are provided with information on where to get help and advice in relation to abuse, discrimination, bullying or any other matter where they have a concern.

RESPONDING TO ALLEGATIONS OF ABUSE

Under no circumstances should a worker carry out their own investigation into an allegation or suspicion of abuse. Follow procedures as below. The person in receipt of allegations or suspicions of abuse should report concerns as soon as possible to:

Name: JUDITH SHORT

Position: **Safeguarding Representative**

Telephone / Mobile: 01751 473769 / 07415847626

who has been nominated by the PCC to act on their behalf in dealing with the allegation or suspicion of neglect or abuse, including referring the matter on to the statutory authorities.

- In the absence of the Safeguarding Representative or, if the suspicions in any way involve the Safeguarding Representative, then the report should be made to:

Name: Reverend Gareth Atha

Position: Vicar

Email thevicar@pickeringchurch.com Telephone 01751 471495

- Where the concern is about a child the Safeguarding Representative should contact Children's Social Services 01609 780780

- Where the concern is about a vulnerable adult the Safeguarding Representative should contact the local authority 01609 780780
- Suspicions must not be discussed with anyone other than those nominated above. A written record of the concerns should be made in accordance with these procedures and kept in a secure place.
- Whilst allegations or suspicions of abuse will normally be reported to the Safeguarding Representative, the absence of the Safeguarding Representative should not delay referral to Social Services, the Police or taking advice from Thirtyone:eight
- The PCC will support the Safeguarding Representative in her role, and accept that any information she may have in her possession will be shared in a strictly limited way on a need to know basis.
- It is, of course, the right of any individual as a citizen to make a direct referral to the safeguarding agencies or seek advice from Thirtyone:eight, although the PCC hope that members of the church will use this procedure. If, however, the individual with the concern feels that the Safeguarding Representative has not responded appropriately, or where they have a disagreement with the Safeguarding Representative as to the appropriateness of a referral they are free to contact an outside agency direct. We hope by making this statement that the PCC demonstrate its commitment to effective safeguarding and the protection of all those who are vulnerable.

The role of the safeguarding representative is to collate and clarify the precise details of the allegation or suspicion and pass this information on to statutory agencies who have a legal duty to investigate. It is not the role of the Safeguarding Representative to investigate allegations and concerns.

Pastoral Care

Supporting those affected by abuse

The PCC is committed to offering pastoral care, working with statutory agencies as appropriate, and support to all those who have been affected by abuse who have contact with or are part of the life of the church.

Working with offenders

When someone attending St Peter and St Paul's Parish Church is known to have abused children or vulnerable adults or has been charged but not yet convicted of abusing children or vulnerable

adults, the PCC will supervise the individual concerned and offer pastoral care, but in its safeguarding commitment to the protection of children and vulnerable adults, set boundaries for that person which they will be expected to keep. This may involve the use of risk assessments and supervision agreements and contact with probation and/or the police.

Pastoral care will be offered without prejudice to all those who require it. This may also include a known offender. Where pastoral care is offered to both the person affected by abuse and the known offender, this should be offered by different people who are able to support those concerned impartially and effectively.
